Spend your winter in Cambodia with us!

Great memories guaranteed.

You can start on **November 16th, November 30th, December 21st** or **January 4th**. The following programs are available:

Global Public Health

Provide critical community health support to children and families living in slum communities.

Buddhist Immersion Program

Experience the rich culture of Khmer Buddhism firsthand as a guest, student, and teacher at a local monastery.

Children and Orphanage Care Program

Bring happiness and care to at-risk youth by sharing your hobbies, interests and knowledge.

Teach English Abroad Program

Teach basic English lessons in pronunciation, conversation and reading to monks, youth and adults.

Youth Leadership and Community Development Program

Play a hands-on role in building a culture of peace and social justice in Cambodia by preparing youth for engaged citizenship.

Start Your Application Now!

Stay tuned for updates about our upcoming service-learning program in Cuba, launching in 2016!
