Empowering Tanzania & Cambodia Communities in Need

www.globalservicecorps.org

With Global
Service Corps,
everyone can
play a role in
creating
stronger,
healthier
communities.

Today we offer a unique proposition to anyone who wants to contribute to a great cause. We want to raise \$5,000 to help pay for the supplies, logistics, travel, materials and training needed so that we can help impoverished youth and adults in Cambodia and Tanzania.

GSC has teamed up Dr. Chynn and the Park Avenue LASEK team to offer a once in a lifetime opportunity to donate to a respected non-profit and also enter a raffle to win a non-cutting LASEK procedure worth \$4,000.

To donate, enter the raffle, or learn more, please go to:
